Dear Byron,

I apologize for the delay in writing to thank you for ~~my~~ complimentary *participation* at the Ceramics Symposium. I enjoyed being there very much and was most impressed with the smoothness with which it all proceeded. Someone mentioned that it should take place in Vancouver so that more people could participate from around the province. If that is your feeling and that of the College do not hesitate to approach the Association for assistance.

My booklet and ticket were on my desk Monday morning (after the weekend) I have therefore enclosed the attached ticket for your book*keeping*.

We will sign a three year lease with the Granville Island Trust at \$300 a month for 2200 square feet. Please let either Diane or I know if you are going to be in Vancouver in the near future.

By the way, Ann's slides were terrific. It is too bad that there was confusion about her coming, because I think everyone would have enjoyed it. However, the Ken Ferguson film was also very good.

Thank you,

Sincerely,

Gail Rogers
