The members of the Art Department of Malaspina College and I are pleased that you plan to attend the 1980 Ceramic Seminar. We are sure that you will both enjoy and profit from the events, lectures and demonstrations planned for you this year.

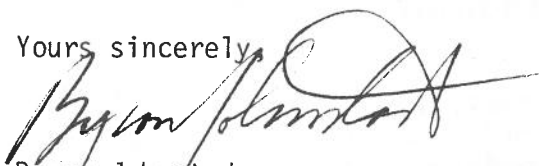

In any effort to streamline some of the day's activities we are sending you this registration packet now; this will eliminate that early morning registration line up, and give you a chance to look over the day's agenda. Enclosed in the packet are your identification pass and your lunch ticket, do not lose either. Without the pass on your person you may be asked to leave the lectures, and without your lunch ticket you will not be served. In an attempt to organize the lunch hour and yet serve a good lunch to all, I have divided the lunch into two sittings:

Lunch A	12 - 12:45
Lunch B	1 - 1:45

A hearty supply of food will be available for both sittings and a film will be shown in the Theatre at 12:00 and at 1:00. So during the lunch hour you will have time to eat well, see a film, meet old friends and see the special ceramic exhibit in our gallery.

A busy and informative day for sure and we look forward to having you with us on March 1st.

Yours sincerely,

Byron Johnstad
