Dear Jan,

I am enclosing \$15.00 for our yearly membership. We enjoy receiving Crafts Contacts - helps lessen the "northern isolation".

Peace Craft is gearing up to its annual pre-Christmas Sale on November 23-28 in the Dawson Mall. We expect about 50 amateur craftsmen to participate with a large variety of hand made articles. The community is very supportive so we expect another huge success. We members enjoy the excitement of others' crafts and meeting the gatherers. It's a week long social gathering as well as a sale. We charge a small 10% commission and take turns selling. The outlet is fantastic for the small craftsperson.

- Dedicated to promoting Craftspeople in the Peace River Area -

Sincerely,
Maureen Cristall
