Dear Diane,

Thank you for your letter of November 16th,

We would be pleased to publish your interest
-to work ~~as~~ an apprentice for a pottery in
British Columbia, in our monthly newsletter
Craft Contacts. Our newsletter goes out to
the Potters Guild of B.C., other pottery
groups and guilds throughout the province
and of course to many potters.

I must say that the apprenticeship system
for potters in B.C. is not as sophisticated
here as in other parts of the country and
world.

I have sent along a newsletter and a member-
ship form for your interest.

Sincerely,

Gail Rogers
Executive Director
