**HOUSE OF CERAMICS**

565 HAMILTON, VANCOUVER 684-4019  
(A block from Queen Elizabeth Theatre)

I regret to announce the closing of the Gallery, House of Ceramics, and wish to thank all the many people who have shown support and interest over the past 6 years.

I hope the gallery has contributed to a better appreciation of the Art of Ceramics, and promoted a wider interest.

Changing Exhibitions every two weeks has been an exciting and stimulating experience but after 6 years I am exhausted ! I cannot keep up the pace ! However, I have not lost interest in running a Gallery, and may well, at some future date, re-open in another location.

Equally influencing my decision to close, is my wish to devote much more time to working with clay. I also intend to spend two or three months studying in Japan next summer.

Once more my thanks,  
Most sincerely,

*Hiro Urakami*
