Dear Gail:

I've enclosed a copy of the air ticket although it doesn't read in a way that makes your portion easy to determine. At any rate, guess the agreement related to the cost of travel from Calgary to Vancouver return.

I've also enclosed a copy of the receipts for the taxi used to get to the Wednesday evening meeting, from my sister's to the airport Thursday morning and from the airport to home. Banff paid for the trip from home to the airport. As I was able to stay with Sally and with my sister, there are no room or meal expenses. Sorry the Reliable taxi receipt is so casual but the driver did not have an official card with him and I've just been too busy this week to take the time to drive seven miles to get an official card.

Leave for Ottawa in the morning so I'm trying hard to get all the loose ends cleaned up before I take off again.

If CABC needs a letter of support re the gallery as discussed at the Monday meeting, please send the necessary details.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ann". The signature is fluid and cursive, written over the typed name.
