Memo to all Associations & CCC Directors

CERAMICS BIBLIOGRAPHY

Only a few copies of the Ceramics bibliography remain in print. However, CCC has a number of unbound copies which are being sold at \$10.00 for 4 copies plus postage and packing of \$1.00. Orders must be in multiples of four as this is how they are packed and we cannot take valuable staff time to break and invoice single copies.

The few bound copies remain available at \$12.50 each plus postage; less 20% for orders of 5 or more. Please specify on your order whether bound or unbound copies are required. Unbound copies are not available for consignment.

Gail - could the CABC order these?
I know my daughter would like the
cheaper one, & surely we could get
rid of even more than the minimum
of 4. We could put it to the BOARD
on Monday to buy \$50 worth & we
could sell the 20 again out of Granville,
Is. without difficulty. Perhaps we have
a BOOK FUND already & don't need to ask
the Board
