Dear Sir

I am interested in persuing  
a career in Ceramic Design. So far  
I have been unable to collect much  
information concerning this field. Do  
you have any information say of how  
to go about starting in this area?  
Especially information on apprenticeship,  
regular courses, and job opportunities?  
If you do I would like you to  
mail it to me, or notify me by  
mail of what you do have.

Yours Sincerley

J Shain
