Dear Gail:

I have authorized our business office to send you a cheque for \$50.00 which should cover the remainder of our portion of expenses re Ann Mortimer.

As I indicated to you verbally, we have already paid Ann directly \$75.00 toward expenses. If you have sent her a cheque including that \$75.00, this would be an overpayment (or duplication) and she should refund that amount directly to you.

I hope this clarifies the situation and your books balance.

or subtract \$50. from "our portion"
