Dear Gail,

I am very glad that the presentation "Canadian Connections" is going ahead. Our publications staff suggests that you may want to have Ann Mortimer interviewed on the CBC "Three's Company" program on or before March 4. Ann Petrie and Patrick Munro should be very interested in talking with her.

Something that I would like to stress for future cooperative ventures: When you are using our facilities rent-free, the V.M.P.A. must be included as a sponsor of the event. We frequently rent rooms to various organizations, but when we donate space to a cause we'd like further recognition!

I know that your "Canadian Connections" information has already been released, but please keep this in mind for next time. Thanks. And please suggest to your "Made By Hand '80" chairman that I'm looking forward to talking about special events with her/him!

Sincerely,

Lynette Harper
Public Programmes Coordinator
